

TERRENUS WHITE WINE 2011

THE WINEMAKER

Rui Reguinga began his career as a trainee Winemaker in the Champagne wine region, in 1990.

Shortly after, he began an intense ten year journey as winemaker-consultant in Consulvinus alongside João Portugal Ramos. In 2000 he founded his own company, Rui Reguinga Enology. Ltd, and since then he is responsible for several projects and successful partnerships in Portugal and over the world.

After several years of Portuguese and international consultancies, today he dedicates a very special passion to his own wines and chosen terroirs.

VINIFICATION

Harvested by hand. Fermentation in inox. This wine is partially matured in new French oak barrels.

TASTING NOTES

Citrine yellow colour, intense fruity aroma, and a smooth balanced flavour leaving a fresh and mineral aftertaste.
