

TERRENUS RED WINE 2011

THE WINEMAKER

Rui Reguinga began his career as a trainee Winemaker in the Champagne wine region, in 1990.

Shortly after, he began an intense ten year journey as winemaker-consultant in Consulvinus alongside João Portugal Ramos. In 2000 he founded his own company, Rui Reguinga Enologia. Ltd, and since then he is responsible for several projects and successful partnerships in Portugal and over the world.

After several years of Portuguese and international consultancies, today he dedicates a very special passion to his own wines and chosen terroirs.

VINIFICATION

Harvest by hand. Fermented in stainless steel vats.

TASTING NOTES

The aromas are rich and complex. This wine is balanced with smooth tannins, finesse and a persistent length of flavour.
